Top left: Ashley and Danny hugging after a great race. Top right: Coach Lukowski giving Ashley feedback after her race. Below: Coach Lukowski, the boys team (Austin not pictured) and Ashley smiled for the camera after sectional awards, finding out they are advancing to the regional! Such an exciting moment!

Starting the season with 18 runners and ending with 9, the Warriors had a great season! On the girls side, Ashley Redd advanced individually to the regional race. She is the only female in school history to make it out of sectional 3 consecutive years! The boys team also advanced to the regional race. This hasn't happened since 2005! Senior captain, Andrew Huff, pushed hard enough at the regional to make it to the semi-state race! Great job Warriors!
